 We are seeking a grant of \$5,000 to contribute towards the replacement of 10 classroom projectors. The current projectors in Lanai's classrooms are outdated and urgently need replacing, highlighting a critical need for updated equipment. Many of our current projectors are over 9 years old and have become unreliable, hindering the delivery of effective instruction. By securing funding to replace these malfunctioning projectors, we aim to ensure that students have access to essential visual aids for learning.

5) **How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)**
 This grant will be used to enhance the educational experience of Lanai Road Elementary School students by providing modern and reliable projectors for classroom use. Projectors are indispensable tools for interactive and visual learning, allowing teachers to engage students through multimedia presentations, educational videos, and interactive lessons. By upgrading to new projectors, we aim to create an immersive and dynamic learning environment that fosters creativity, critical thinking, and collaboration among students. These projectors will not only support the delivery of curriculum content but also enable teachers to adapt their teaching methods to cater to diverse learning styles, ultimately promoting academic success and student engagement in the classroom.
